

Zoom/ Google Meet Classes

William Shakespeare: An Overview of his Drama

- Hasty productions
- Plays designed for the stage – anxious for success – ready to sacrifice consistency of character for theatrical effect
- Catering to the 'groundlings'
- Took no trouble to be original – borrowed freely from older plays (?)
- "He owed less than usual to his sources. He transmuted what he found into entirely new substances"
- Regularly breaks theatrical illusions – "All the world's a stage"
