Dated Khawzawl the 7<sup>th</sup> September, 2023

**Declaration**

Govt. Khawzawl College in response to DVV suggestion pertaining to metric 3.3.2, has re-checked the HEI input and claim and has carried out certain revisions and modifications.

With regard to AY 2021-22, HEI disagrees with DVV input=1 because a total of 11 publications were produced by the teaching staff members and the details are as follows:

Serial No.	Name of the teaching staff	Dept.	Article name	Book Name	ISBN	Year of publication
1.	Lalliantluanga	Mizo	Di Hmeltha	Aiting	978-93-94429-00-0	March, 2022
2.	H.Lalthanpuii		Aw Ropui Ber, Halleluia			
3.	Vanlalmangaihsanga		Hmana Kan Nunhlui			
4.	Lalrinchami		Tlaizawngpar			
5.	Lalruatpuia		Hrawva Hla "Rairahtea" Thlirna			
6.	Vanlalmangaihsanga	Mizo	'Omnus'-As a Science Fiction	Bingbi	978-81-947253-5-0	Sept, 2021
7.	Lalruatpuia		Thawnthu Tawi 'Lali' (Lalawmpuii) Bihchianna			
8.	Rochharzela		'Lungrang Laiawrha' Thawnthu Thlirna			
9.	Laldingngheti	Economics	Socio-Economic Impact of Covid-19 in	Divergent Issues and Changes Vol 1	978-81-950949-8-1	2020

			Mizoram			
10	Laldingngheti	Economics	Role of Information Technology in Rural Development	Divergent Issues and Changes Vol 2	978-81-954605-2-6	2021
11	Lalhmingangi	Political Science	Sustainable Development, Energy Resources and Renewable Resources in Mizoram	Social Change and Development in North-East India: Issues and Dynamics	978-93-90692-07-1	2022

The HEI would like to declare also that necessary documents were already submitted to NAAC along with SSR on 11<sup>th</sup> August, 2023 and the HEI has done the needful as per DVV suggestion. As the year of publication is not imprinted on the book Aiting (978-93-94429-00-0), the HEI in response to DVV suggestion has submitted a declaration given by the publisher certifying the publication of the book Aiting. HEI has revised the Institutional Data Template submitted to NAAC with SSR and has removed Mr. Lalchhuanawma, Assistant Professor, Dept. of Political Science, Govt. Khawzawl College.

Therefore HEI requests the NAAC to modify and revise DVV input=1 for the AY 2021-22 and change it to 11 (HEI revised input=11) for the AY 2021-22.

All right reserved. No part of this book may be reproduced or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or by any information storage and retrieval system, without the prior permission in writing from Govt. Johnson College.

The focus of this book is primarily on the different dimensions and the diverse perspectives illustrating topics, themes and issues of the contemporary milieu. The book provides in-depth research and analysis in a diverse range of fields across the humanities, social and natural sciences, to discuss what is needed to develop an affluent, sustainable and resilient world for the twenty-first century and beyond. The book will not only serve as an indispensable primer on the varied subjects but also as a stimulating and comprehensive reference since it provides foundational communication and critical thinking in almost any field.

Research and Extension Cell of Government Johnson College has been formed by Internal Quality Assurance Cell (IQAC) of the college in order to inspire and promote research culture amongst the teaching faculty and the students as well. The committee undertakes various research activities to provide opportunities for the development of knowledge and skills like organizing workshops and seminars and carry out certain research projects. It also plan to organise extension programme for the benefit of the society at large.

## SUSTAINABLE DEVELOPMENT: ENERGY SECURITY AND RENEWABLE RESOURCES IN MIZORAM

LALHMINGSANGI & LIANSANGPUII KHIANGTE

### Introduction

Energy is a vital factor to modern economy, national development and individual well-being of every nation. There has been an accelerating use of energy and it improves the standard of living and quality of life. However, increasing energy consumption comes with a price. It has become the dominant contributor of global warming, rise in sea level and environmental degradation, etc. The acceleration of energy consumption harms the planet and promises the international community deterioration in the quality of life of future generations. One of the big puzzles is how to ensure equitable global development without compromising future wellbeing.

The earlier practice of pursuing development merely from an economic perspective has led to an understanding of its adverse effects on the environment. The concept of development was earlier confined only to the economic growth. In the pursuit of economic interest, the relative effect on the environment was often ignored. Since the second half of the 19<sup>th</sup> century, western societies have learnt that their economic and industrial activities have a substantial effect on the environment and social balance.

Govt. Johnson College

Govt. Johnson College

The focus of this book is primarily on the different disciplines and the diverse perspectives illustrating a topic, theme or issue of the current scenario. The book provides in-depth research and analysis in a diverse range of fields across the humanities, social and natural sciences to discover what is needed to develop an affluent, sustainable and resilient world for the twenty-first century and beyond. The book shall not only serve as an indispensable primer on the varied subjects but also as a stimulating and comprehensive reference since it provides foundational communication and critical thinking in almost any field. The diversity in terms of critical thinking, geographical (and social) location along with focus areas of each contributor brings a truly compact and divergent collection of works which can cater to a wider, diverse audience.

Research and Extension Cell of Government Johnson College has been formed by Internal Quality Assurance Cell (IQAC) of the college in order to inspire and promote research culture amongst the teaching faculty and the students as well. The committee undertakes various research activities to provide opportunities for the development of knowledge and skills like organizing workshops and seminars and carry out some research projects. It also plans to organize extension programme for the benefit of the society at large.

Dr. R. LALTHANGLIANA  
MINISTER  
Health & Family Welfare  
Higher & Technical Education  
Commerce & Industries  
Government of Mizoram

As we are aware, Covid-19 changes in the lives of the people. The Government of Mizoram is taking all necessary steps to combat the 19 pandemic and has taken all necessary measures in the State. All essential services are being provided towards prevention and containment.

It is in this context that the research work on "Awareness, Response to the Challenges Posed by Covid-19 in the South City area and Khawzawl Town" becomes highly necessary and effort made by the Institute of Aizawl, in collaboration with the Government of Mizoram.

I am happy to say that the research work on "Awareness, Response to the Challenges Posed by Covid-19 in the South City area and Khawzawl Town" though different in nature, are highly appreciated and will be highly valued by researchers and community members in general.

I congratulate all those who have contributed their time and expertise into the completion of this research report.
